Elliott Street Wharf

RECHARGE HERE

In October 2024, Council endorsed the 2025 Ladner Village Revitalization Action Plan, which aims to enhance the vibrancy of Elliott Street Wharf and its Wharfhead while creating a more welcoming space for the public to enjoy the area's natural beauty. The plan reflects community feedback gathered through the engagement program.

Staff are now proposing an enhancement plan for Elliott Street Wharf that includes:

- Floating dock system to launch kayaks
- Wharf ramp updates to provide a stable and slip-resistant surface
- Reconfiguration of the Wharfhead to improve parking and recreation, and pedestrian access
- Designating space for potential commercial uses, such as kayak rentals, food trucks, fish sales, and boat tours

Ladner Village's Elliott Street Wharf

HOW TO GET INVOLVED

Here's what you can do as a resident:

Review the Plans

ELLIOTT STREET WHARF PROPOSED PLANS

The City recently introduced a number of improvements at Elliott Street Wharf including colourful seating, catenary lights, and more events. These installments and activities have been very popular and will continue. The proposals below are in addition to these efforts and aim to contribute to a vibrant and welcoming environment.

1 Upgrade the Elliott Street Wharf Dock Ramp

With a durable, slip-resistant grated system, making it safer and more resistant to wear and tear from all wharf users.

2 Floating Kayak/Dock System

To allow water sports users to have a stable and secure way to launch and dock.

3 Dedicated Space for Commercial Boat Operators

To operate boat tours on the Fraser River.

4 Dedicated Space for Commercial Fish Sales

To sell fresh catch to the public from their vessel.

5 Dedicated Space for Commercial Rental Shop

To operate a kayak, paddle board, bike rental shop.

6 Wharfhead Reconfiguration

To allow for offloading and loading of kayaks and paddle boards, repaint the parking lines, improve accessible parking, and establish a walking path to the dock.
