Dear Resident:

Subject: **89A Avenue Park - Playground Renewal Project: Phase 2 Community Engagement**

The City of Delta invites you to participate in Phase 2 of the community engagement process for the playground replacement in 89A Avenue Park. The existing playground is at the end of its lifespan and is scheduled for replacement in 2024.

In Phase 1, from January 26 to March 4, 2024, we evaluated the needs of the community for the new playground through an online feedback form. Our project team evaluated the contributions from the feedback received and used this information to guide our playground designs.

For Phase 2, the purpose of this community engagement is to present two proposed playground design options and provide feedback.

Residents can provide feedback online or at in-person sessions on the following dates:

- Saturday, June 1, 2024 from 10am to 12pm
- Tuesday, June 4 from 3:30pm to 6:00pm

Learn more about the proposed playground design options and share your feedback online at: **LetsTalk.delta.ca/89aAvePark**

The feedback form will be available between **June 1, 2024** and **June 17, 2024**

If you have further questions, or if you would like to discuss any aspect of this project, please contact our office at 604-946-3293 or prc@delta.ca.

Sincerely,

Danielle Rancourt
Park Planner
