REJECT LADNER VILLAGE Chisholm Street Tourist Hotel.

About this petition

TO: DELTA BC MAYOR, COUNCIL & City Staff

RE: Ladner Village Tourist Hotel Accommodation

We the undersigned residents of Delta, to ensure principles of openness, transparency, accessibility, and accountability, respectfully request Mayor and Council REJECT any proposed Ladner Village Tourist Accommodation on Chisholm Street & request REVISIONS by Delta Council and City Staff for the following reasons:

1. LOSS OF HERITAGE CHARACTER: A 6-storey hotel tower does not fit in a historic village.
2. LACK OF TRANSPARENCY: Secrecy of the land purchase is unacceptable!
3. BUSINESS EVICTIONS: sudden evictions of over 6 Ladner Chisholm St businesses is reckless, offensive and leaves a big hole in our business community.
4. NO AFFORDABLE HOUSING: This hotel would NOT contribute to solving our Affordable Housing Crisis, (ie: our need for long-term affordable housing) - instead the City should seek a reliable housing society or Co-op Housing venture for this PUBLIC land - rather than a short-term tourist profiteer. One option is Cooperative Housing Federation of BC.
<https://www.chf.bc.ca/>
5. CONTRADICTS DELTA'S HOUSING ACTION PLAN: Short-term tourist accommodation on PUBLIC land does not fit with Delta's Housing Action Plan or Official Community Plan.
6. PARKING LOSS: One of Ladner's few free parking locations would be lost - resulting in parking mayhem for residents and businesses.
7. SEASONAL FINANCIAL RISKS: Ladner Village is a seasonal rainy weather destination (approx Nov - May); thereby risking future empty rooms - potentially placing the City, the Public and a Hotel operator in a financial loss situation.
8. LOSS OF PUBLIC LAND: A Private Business would be Profiting From Our Public Lands while "Catering to the upper scale (sub luxury) markets"

Comments: Shame on Council! Another Steveston coming to our village. I and many others left Richmond to move here because of the small town feeling and now Council wants to take that away. There's no point in having public meetings any more as Council has already decided the outcome of projects beforehand.

I have never been this angry with elected officials - who are supposed to be representing, not fighting with, the people. Their "revitalization" plan will destroy our village.

Comments: Heritage House and Dragonfly are two of the best destination shops in Ladner Whose ridiculous idea was it to remove them, and put in a hotel? Seriously A destination location with nowhere to shop? Taking away Parking when Ladner village already has insufficient parking. I'm not against progress, but I am certainly against bad ideas.

I live down the road from The location of this proposed hotel, and I'd much rather have Dragonfly , Heritage house, Blue Moon really anything except a Boutique Hotel, that's no use to me or my neighbours.
Why would they stay in Ladner when the Coast Tsawwassen Inn And the casino are both exceptionally good hotels?

Comments: Ladner Village needs to remain a "village". This is why tourists come here and people choose to live here. It is a quiet yet vibrant community, a "one of a kind" where children grow up, stay here and want to raise their families here.
There is a hotel in Tsawwassen and one at the Cascades Casino which both make sense. A hotel in a heritage village does not.

Comments: Absolutely ridiculous. Let's revitalize Ladner by removing 6 healthy businesses that Ladner relies on? What?!? The building on Chisholm Street where Heritage House and Dragonfly reside was once an airplane hanger brought over by Massey after WW2. This building adds to the charm of the village. Locals and tourists alike rave about the high ceilings & beams and love to visit and shop there. But let's tear this down and throw up what is sure to be a cookie cutter, architecturally boring 6 story high hotel. Why? Ladner is not a destination and we have a brand new Casino hotel down the road not to mention the Coast Hotel. I cannot think how such a project would succeed especially in today's market. What is Delta thinking?!?!

A six story hotel on Ladner's waterfront would effectively ruin the heart centre of Ladner.
This council's actions will destroy the historic character of the village and that is
unacceptable.

Comments: My family moved here in 1966 .
We lived on Farrell Avenue. There was only 5 houses on that street then. By the time I was in grade 10 there was no empty lots on Farrell Avenue. In 1987 I bought a house on 53A Street in Ladner. I raised my family here and my wife and I still live here and we plan on dying here.
My children and grandchildren are going to be raised in Ladner and I want them to live their lives here like our family has.
The point that I would like to make is, that our Ladner and Tsawwassen is FULL!
It's time for people to start building some other place just like my grandparents and parents did when they moved here.

Our city is FULL!

Simple!

Comments: Don't destroy the character of Ladner's historic village. This is a historic village, not an urban centre. It is unacceptable that Delta City Council is taking on the roll of being a Developer - In the name of doing what is best for the community, you are wholly doing this for yourselves as council members and the private developers you favour over the people who actually live in the community. This shows complete disrespect for the people who live in this community. Appalling.

This is being destroyed day by day
with what is referred to as "necessary" and PROGRESS neither
having any regard for the historical value of this "quaint" place. Movie
makers will stop using us as a destination if this continues.

Leave well enough alone.
