Notice to Area Residents and Businesses
Winskill Renewal Project

The engagement program for the Winskill Renewal Project is now underway. The City is writing residents and organizations that neighbour Winskill Park to ensure you are aware of the activities that are planned to support your involvement as well as the involvement of the general public. In addition to a summary of the engagement program, this mailout also provides important information about the project for your consideration. This includes options for a location of the facility on the Winskill Park site that may have impacts for road access, adjacent properties, baseball diamonds, disc golf course, tree removal and more

Two neighbourhood information sessions are planned where you can attend a presentation and ask questions of the project team. If you are unable to attend these events, there are an additional two in-person opportunities for the general public as well as opportunities to learn more and share feedback at letstalk.delta.ca/Winskill. The key dates are below:

May 30, 2024	Neighbourhood Information Session #1* Winskill Park Fieldhouse 6 pm to 8 pm
June 1, 2024	Community Open House #1 – Outdoors Winskill Park 10 am to 2 pm
June 4, 2024	Neighbourhood Information Session #2* Winskill Park Fieldhouse 6 pm to 8 pm
June 6, 2024	Community Open House #2 - Indoors South Delta Recreation Centre 6 pm to 8 pm

**Resident who live near the Winskill Park are asked to register for the Neighbourhood Information Sessions at letstalk.delta.ca/Winskill as seating is limited.*

If you would like to continue to receive information directly about this project, we invite you to email winskill@delta.ca to be added to an email list. Please include your name and your property address in your email. The City will only send mailouts at key milestones in the project.

Should you have any questions in advance of the information sessions, please call JoAnne Kleb, Manager of Engagement, at 604-946-3380 or email winskill@delta.ca. If you would like to learn more about the project, please visit letstalk.delta.ca/winskill.

Yours truly,

JoAnne Kleb
Manager of Engagement
